ELIZABETH PURVES for Sevenoaks District Council

Elizabeth has represented this ward for the last 4 years. Living here, she is an active member of the Hollybush Residents Association. Committed to protecting our environment, Elizabeth has campaigned for Hartslands to be a conservation area, refurbishment of Hollybush playground, and making Sevenoaks more pedestrian and cyclist friendly. Formerly the Local History Librarian, Elizabeth is co-editing a book on the history of Sevenoaks.

ROGER WALSH for Sevenoaks District Council

Roger has been one of your District Councillors since 1987 and for 4 years served as Leader of the Council. He has lived in Sevenoaks with his family for many years, running his own business in this ward until recently. Roger plays a leading role fighting unwelcome building developments locally. He is campaigning for fairer planning procedures, more realistic approaches to parking and road safety and to save the Minibus service for the elderly.

SUE CAMP for Sevenoaks Town Council

Sue was born here and has always lived locally. Once a commuter, she now works from Sevenoaks. Like many parents, Sue juggles the demands of full-time work with caring for a lively happy young family and fully understands the challenges of being a single parent. Sue wants to get the best facilities for young children and teenagers, in sport, leisure, creative and performing arts. Her children make Sue very aware of the need to protect the environment.

TONY CLAYTON for Sevenoaks Town Council

Tony has lived here since 1983, and works in London. He has represented this area on Town and District Councils, served as Sevenoaks Mayor, and played a leading role sorting out Blighs. Tony speaks up for better rail services for commuters and better local transport for all. He is an environmental campaigner, and an economist with international experience. He is backing the campaign to save Sevenoaks High Street, and serves as a Stag Trustee.

PAM WALSH for Sevenoaks Town Council

Pam has represented this ward as your Town Councillor since 1987 with a special interest in planning. She has fought to keep green spaces locally and for children's facilities, opening the refurbished Hillingdon Play Area when she was Town Mayor. She is very active in local organisations and charities and as a Governor of St. John's Primary School. Pam strongly supported the Town Council taking on the Stag Theatre and is Vice-Chairman of the Trustees.
