

Richard Streatfeild

Record of action

- Ready to deliver more

- * *Investment in a new community hall*
- * *Opposing major expansion at Gatwick*
- * *Funding for village sports facilities*
- * *Community broadband initiative*
- * *Starting work on affordable homes*

- * **Safer streets round our schools**
- * **Tackling traffic through our villages**
- * **Local solution for affordable homes**
- * **Protect our countryside and farms**
- * **Checks on aircraft and other noise**

Thanks to everyone who has been in touch during the District Council election campaign. Your feedback to our survey, and on the doorstep has given me plenty to work on.

I aim to work as your District Councillor the same way as I have as a local parish councillor. Working together to get the best for everyone in our community is what makes our villages great places to live.

Yours sincerely

Richard
