

LIBERAL DEMOCRATS PUT PEOPLE FIRST

THANKS TO YOU!

**KRISH
SHANMUGANATHAN**

Over a hundred people replied to our survey last month. You said you wanted:

- Action on rat runs and traffic to create safer streets
- Affordable family housing in the town that doesn't swallow up the green belt
- Investment in infrastructure not just houses
- Better shops in Swanley centre, not tower blocks
- Improved transport and sports facilities
- More feedback from your councillors
- A new voice on the Council who will stand up for you and for Swanley

We'll help you build the community you want, not one imposed from elsewhere. As your councillor Krish Shanmuganathan will:

- Campaign for action on traffic, including 20mph limits in residential streets, not just past the Council Offices, to keep everyone safe.
- Make sure that affordable homes for local families are part of any new developments in our community, and no tower blocks are built
- Safeguard our local parks, recreation grounds and green spaces, and invest in them
- Protect the green spaces which keeps our towns and villages distinct

And More.....

- **Liberal Democrat councillors will tell you what's going on and what we're doing**
- **Liberal Democrat councillors keep in touch and ask your views before big decisions**

Action on speeding traffic	Vote against tower blocks	Protect parks and green spaces
<p>We must tackle traffic in Swanley 20mph limits will limit speeding and rat runs, protecting our children</p>	<p>Councillors need to rule these out now! Affordable, family homes should be built on the edge of town.</p>	<p>These make Swanley a good place to live. We will keep green spaces clean and tidy for community use.</p>

ABOUT KRISH SHANMUGANATHAN

This by-election can't change who runs Sevenoaks District Council, but it can elect a hard-working, competent and honest Councillor. Krish can stand up to the 'old guard' and make sure that your issues are heard and action is taken.

Krish Shanmuganathan was born in Dartford - and his family worked in the NHS locally their whole career. He came back to the area after working overseas, first representing Britain as a diplomat and then setting up the international offices of a small growing British company. Krish now chairs a children's charity and runs his own consultancy company. He is an independent thinker and voice, not associated with any political elite. He comes with fresh ideas to help residents get heard on the Council and for the Council to communicate with residents.

Krish Shanmuganathan pledges to hold monthly surgeries for residents:

Local residents will be able to meet Krish each month if he is elected on 13 October. Krish wants to offer a different politics, inclusive, listening to residents and acting on their behalf. Swanley residents won't have to fight Sevenoaks District Council; you'll have someone on your side.

Liberal Democrats are the only effective opposition to the Tories on Sevenoaks District Council. Krish Shanmuganathan is a strong, independent, voice who can stand up for you

LOCAL ISSUES THAT MATTER TO YOU

THE OLYMPIC has been put forward for housing by Tory Councillors. Krish says improve it, not remove it. This is an asset for the community

SWANLEY STATION needs upgrading but trains are vital. As a commuter Krish is telling rail firms that new City trains must stop at Swanley station

YOU CAN HELP CHANGE THINGS FOR SWANLEY ON 13 OCTOBER
